This is to inform you that your staff is a PhD. candidate under my supervision under the matric number of P-PD0140/20 (R). He is making substantive progress regarding his research work and thesis writing. He has completed a good academic session of one semester and going to start a new semester in end of March 2021.

He is currently doing his literature review for his studies. I belief that with his hardwork he will go for his prospectus presentation in two to months' time from now.

As the main supervisor, I recommend him for any necessary support you can offer to him to succeed in the pursuance of his PhD program.

Thank you.

Sincerely,

(DR. RABIATUL-ADAWIAH BINTI AHMAD RASHID)
